

Offices and Conference Rooms on a Daily Basis

We provide prestigious, fully equipped offices and conference rooms in ten locations which you can reserve on a daily or hourly basis. This Dussmann Office service is for business men and women who wish to conduct meetings and conferences in a professional ambience yet maintain flexibility. At Dussmann Office, you pay only for the time you actually use the rooms.

Services

- reservations at short notice possible
- central locations, easily accessible
- high-quality furnishings and presentation equipment
- on-site reception and secretarial services
- catering and conference beverages
- other services possible

As a business division of the worldwide Dussmann Group, Dussmann Office is part of an international service network. The group has activities in 26 countries across the globe and around 50,000 employees. For over forty years, the brand name Dussmann has stood for unique service orientation. The whole range of Dussmann Office services are no exception.

Office and Location Solutions for Your Business

Dussmann Office

Flexible Location

Dussmann Office is a specialist in business services. Our solutions start with the provision of virtual offices, office services and complete offices and extend to reservation of conference rooms and flexible use of office space on a daily basis. You only pay rent for

your office as long as you need it and you can have it equipped to suit your individual business needs. We have business centers in ten German cities. In exclusive locations.

Virtual Office

The Virtual Office from Dussmann-Office means that your company can be reached by your business partners, even when you are not there.

Location and Office Services

- your company plaque in the entrance area
- reception and lounge for your visitors
- offices and conference rooms on a daily basis

- personal reception of telephone calls with your company name
- receipt of mail and courier
- forwarding of mail and messages according to your instructions
- refreshments for you and your guests
- messenger and other office services

Complete Office

The Complete Office from Dussmann Office guarantees total flexibility of location. Our offices can be occupied at a moment's notice and are equipped according to your needs. You reserve and pay only what you actually use. The Complete Office includes a range of services.

Location and Office Services

- office access around the clock

- high-quality furnishings
- reception and guest services
- use of shared areas, for example kitchen and reception area
- conference rooms
- telephone and internet connection
- receipt of mail and courier
- refreshments for you and your guests
- messenger and other office services
